Die Scans die wir anfertigen sind von ordentlicher lesbarer Qualität ,nicht das was man anderswo so findet

◈ (Komplett/Teil) Scan als Dienstleistung wie auf Homepage beschrieben
▣ (Teilweise) mindere Qualität , bedingt durch Orginal/Vorlage.
✷ Keine Dokumente vorhanden,Autor ist an Unterlagen Interessiert.
[VEC] Alles/Einiges ist in (Vector/Voll digitalen) Text umgewandelt
(#1) In Kürze Verfügbar
(#2) Unterlagen größtenteils NEU geschrieben

The scans which we provide are of good readable quality , not comparable to what you can find elswhere

◈ (Complete/Partly) Scan as service as mentioned on homepage.
▣ (Partially) lower quality , because of orginal/template.
✷ No documents available,Author is interested in obtaining these.
[VEC] All/Parts have been altered into (Vector/full digital) Text
(#1) Available soon
(#2) Documents mostly rewritten
